### bing carburetors and parts - Treatland

Bing supplied a 26 mm slide carburetor for some early Airheads. The kit for them is 13 11 1 258 050. The very earliest /5 diaphragms were replaced by a thicker type, which is all that is available now from BMW. Some of those very early ones might still be around. There are a number of rubber O-rings used in the Bing CV carburetors.

### Bing CV Carburetors, notes, tuning, overhaul, assembly part 2

3.1.1 Selection of the correct Carburetor choke size In the tapered-needle type Carburetor , the choke size is the diameter of the section immediately upstream or downstream of the throttle valve and its size is cast on the nameplate together with the model type of Carburetor eg PHBE

36BS signifies a 36 mm venturi Carburetor .

### **Carburetors | VDM Puch Parts**

You see, Bing CV carburetors don't actually have a choke. When you operate the "Choke" lever, what you are actually doing is rotating a disc-valve in the auxiliary carburetor. This is a small carburetor within the main carburetor that is used to provide extra air and a rich mixture when starting and idling a cold engine.
