The touring has features like brown leather seats, heated ...

Subaru Forester - Wikipedia

If you previously had the front passenger-side airbag inflator replaced in your Subaru (due to the Takata Airbag Inflator Recall) and have recently received a second recall notice for this same part, it is because the initial replacement was an interim “like-for-like” repair, using a newer version of the same airbag, until updated inflators were made available to Subaru.

Subaru Airbag Recalls | Learn More About Takata Airbag Recalls

Takata Airbag Inflator Recall. Subaru is committed to the safety and protection of our drivers and the ones they love. As part of that commitment, we've made it easy to learn more about the Takata airbag inflator recall — the largest recall in automotive history, currently affecting vehicles across the industry — and how your Subaru may be impacted.

For Owners | Subaru of America

The problem is that you must be registered as a repair facility with JASPA to use it. There is a “free demo” where you can get in and look around, but the only Subaru service manual available with that login right now is for a C-type GT7 Impreza (2019 model year).
