2150 A.D. by Thea Alexander - Goodreads

Jon and his partner-mate Carol (in 2150) decide to go to Micro Island, a location where micro-men go on living their wild and hopeless lives under two dictators and where souls desiring a micro life in 2150 can be born to experience and study it. People from the Macro society often go to Micro Island as benevolent missionaries and tutors of Macro philosophy, though they know that micro-men are aggressive and may kill them.
