LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

A Brief History Of Modern

A Brief History of Modern Psychology offers a concise account of the evolution of this dynamic field—from early pioneers of psychological theory to cutting-edge contemporary applications. In this revised third edition, leading scholar Ludy Benjamin surveys the significant figures, concepts, and schools of thought that have shaped modern psychology.
