A Murder of Quality - Wikipedia

'A Murder Of Quality' is a book fuelled by hatred and compassion. Hatred for minor public schools in post-war England and compassion for the people who staffed and attended them. Le Carré vivisects the vanity, cruelty, mediocrity and relentless conformity of an English boarding school with an insight that only someone who has suffered through such a place can bring.

A bloody and apparently senseless murder had been committed at Carne School, one of the oldest and most glittering ornaments in the British public school system. George Smiley, whose connections with Carne were complicated by sentiment, had had a curious forewarning of the crime and, in a private capacity, pursued its investigation. Without his espionage-trained insight into the workings of ...
