MathHelp.com offers a comprehensive homeschool math curriculum covering Pre-Algebra, Algebra 1, Geometry, and Algebra 2. Our stand-alone curriculum has everything your child needs, including professional instruction throughout every course.

### Homeschool Math Curriculum: Pre-Algebra, Algebra 1 ...

Whether Algebra 1 or Algebra 2 is harder depends on the student. For example, the shock of dealing with variables for the first time can make Algebra 1 very hard until you get used to it. On the other hand, Algebra 2 is often considered harder because of its advanced concepts such as logarithms and imaginary numbers.
