Remington 870 also is very popular police/security shotgun, available with extended magazines (up to 8 rounds),fixed or folding butt stocks or with pistol grips. Usually, police Remington shotguns have 14 in. or 18 in. barrels with cylinder or improved cylinder chokes, capable of firing buckshot, slugs and special purpose munitions (tear gas grenades, non-lethal rubber bullets etc.).

### Remington 870 shotgun USA | Army and Weapons

The Remington Arms Company has been a supplier of shotguns to the United States military since before the First World War. The Model 10 and Model 31 slide-action shotguns and Model 11 autoloader were part of America's military small arms during both World Wars. The Model 870 (M870) so familiar to shooters today has also played an important role with the United States military. Here is its story.
