Some BAYLINER Boat Owner's Manuals PDF are above the page. In 1957, the company sold the Bayliner boat, built of wood, by A. L. Koffel and his brother.. The first fiberglass boats were built in a barn in Marysville, Washington. Increased volumes by 1968 made it possible to transfer production to a more suitable place for this - Arlington, and in 1969 the first assembly plant

I have a 2005 Bayliner 175 with a Mercruiser 3.0L 135 HP. After dewinterizing it last week, I ran the engine with freshwater hookup at various RPMs with no problem. When I actually put it in the water, it would only run for about 15 seconds, then quit.
