Professor Pinel is an award-winning teacher and the author of more than 200 scientific papers. However, he feels that Biopsychology is his major career-related accomplishment: "It ties together everything I love about my job: students, teaching, writing, and research." Steven J. Barnes obtained his Ph.D. from the University of British Columbia. He then worked as a postdoctoral fellow — first in the Department of Epileptology at the University of Bonn and then in the School of ...
