I am looking at expending INR 20,000 to 25,000 that is approximately about USD 250 to 350 I am expecting to print about 300-400 pages a month. For about 5-7 users. Do you think that budget should get a printer or do I need to increase the budget. I am ok if I need to increase the budge upto USD 500-600 (translates to about INR 35,000 to INR 41,000)

“Why not just look them up in the router manual?” you may ask. Well, sure, if it were available that would certainly help, but as a digital nomad, I find myself in Airbnb’s and rented rooms all across the world, working with a ton of different makes and models of router, and usually the packaging and whatever information that came along ...
