All series of 737 have the facility for AVM although not all 737-200's have them fitted. The early 737-1/200's had two vibration pickup points; One at the turbine section and one at the engine inlet there was a selector switch so that the crew could choose which to monitor. Some even had a high and low frequency filter selection switch.

What follows is a complete timeline of all canonical and non-canonical events in the Fallout universe.. The Fallout world is not our own, but rather

one set in a universe that shares many historical milestones prior to the events of World War II. So, while it takes place in the future, it is not our future, but one reflecting a traditional 1950s-style science fiction "world of tomorrow."
