Early reading experiences, opportunities to build vocabulary, and literacy-rich environments are the best ways to support the development of pre-reading and cognitive skills that ensure children are prepared for success in school and life.

## **Importance of Early Literacy | Make Way For Books**

Children can listen on a higher language level than they can read, so reading aloud makes complex ideas more accessible and exposes children to vocabulary and language patterns that are not part of everyday speech. This, in turn, helps them understand the structure of books when they read independently (Fountas & Pinnell, 1996).
