**Buddha Book: A Meeting of Images | Diatrope Books**  
The book begins with a decent 5 page intro to the Buddha by Robert Thurman. There is nothing wrong with the intro, but one can tell he mainly studies Tibetan Buddhism -- there is a great emphasis on gods, heavens, divinity, and the like. The intro would have been better had it been representative of Buddhism as a whole.

**Amazon.com: Customer reviews: Buddha Book: A Meeting of Images**  
This rich and refreshing book invites us to travel with the Buddha on a path of radical wisdom. In his inimitable style, Osho interprets the "Sutra of Forty-Two Chapters" - a scripture compiled by a Chinese emperor in the first century C.E. - using wonderful contemporary anecdotes to make profound points.

**The Buddha Said...: Meeting the Challenge of Life's ...**  
A real thinking book. The Buddha Said can be tackled two ways. OK, infinite ways, but I'll recommend one or the other, based on your temperament or how you find the sailing. Yes, you could read it coast to coast, though a lot of it is "chewy."

**buddha book a meeting of images**  
The intro was the most interesting thing about this book to me and perhaps what I originally expected this book to be about. I was honestly a little disappointed when I discovered that this book is more of a coffee-table-style book, with 2-4 parallel quotes of Jesus and Buddha per page with very mediocre photographs.

Three of the more popular ones include Kevin Griffin's work, One Breath at a Time: Buddhism and the 12 Steps, published in 2004.That was followed in 2009 by Darren Littlejohn's well-known work, The 12-Step Buddhist. And a third is Thérèse Jacobs-Stewart's book, Mindfulness and the 12 Steps, published in 2010. Buddhist thought holds that craving leads to suffering (the second noble truth).
