### **Buddhism And Psychotherapy Across Cultures**

As both Buddhism and psychotherapy have grown and diversified in Asia, as well as in the West, so too has the literature dealing with their interaction. Today, Japan and the United States are the two largest psychotherapeutic cultures in the world, and this volume brings together seminal contemporary thinkers in both disciplines on both sides of the Pacific.

Whenever Buddhism has spread to another culture, it has interacted with the belief systems of that culture, resulting in the development of something new. Today the main site of interaction within the West is not Judeo-Christianity but psychology, a conversation that has led to innovative types of psychotherapy and, most recently, to the extraordinary success of the mindfulness movement.

### **REL 407/507 Buddhism and Psychotherapy, Fall 2014**

The cross-cultural interaction between Psychotherapy and Buddhism dates back to the 1950s. Of the diverse forms of Buddhism extant today, the conference participants represented primarily Pure Land Buddhism, as prominent in Japan, though they also included members of the Zen, Theravada, and Tibetan Buddhist communities.

### **Buddhism and Psychotherapy Across Cultures by Mark Unno ...**

ME: The insights from my psychotherapy teachers were many but came later, after, to my dismay, I realized that what I was learning from Buddhism still left me sometimes struggling, especially in my relational life. So I went back to psychotherapy informed by Buddhism, and then was touched by how deftly certain of my therapists worked with my relational self in the actual interactions with them ...
