If you're looking for a better job, you want your potential boss at your ideal company to associate your personal brand with something that she needs on her team. If you're looking to grow the sales for a company, you want potential clients to associate your personal brand with a feeling of trust and long-term success and satisfaction.

The Complete Guide to Building Your Personal Brand

Brand endorsement indicates the linkage but also creates some distance between the two brands. Endorsed brands make the parent brand relevant or at least increases its awareness to the market served by the endorsed brand. The advantage of using fewer brands or a singular brand is marketing efficiency in brand building and customer communication.
