But what exactly is amiss with Western civilization? The answer, Niall Ferguson argues, is that the institutions that were once the four pillars of Western society - representative government, the free market, the rule of law and civil society - are degenerating. The Great Degeneration is a powerful indictment of

an era of negligence and complacency.

To stop us frittering away the  
institutional inheritance of centuries,  
Ferguson warns, will take heroic  
leadership and radical reform.
