Citing journal articles in APA. A journal is a scholarly periodical that presents research from experts in a certain field. Typically, but not always, these journals are peer-reviewed in order to ensure that published articles are of the highest quality.

Citing a Journal in APA | Citation Machine

One's perception of another's behavior is more important than the behavior itself when considering one's feelings toward that person (Shaver, 1975). As noted, the coach is a very significant person in the lives of athletes and the role they play is key in the athletes' sport experience (Williams, Kenow, Jerome, Rogers, Sartain ...
