The Catholic agenda was social justice; its preoccupation was always the good of the whole. As for individualism, Catholic thought deeply distrusted it, seeing selfishness and the disruption of the web of duties that create the good society. American liberalism, on the other hand, saw in it freedom and self-realization.

American Freedom and Catholic Power is an anti-Catholic book by American writer Paul Blanshard, published in 1949 by Beacon Press. Blanshard asserted that America had a "Catholic problem" in that the Church was an "undemocratic system of alien control". The book has been described as propaganda and as "the most unusual bestseller of 1949-1950". Some reviewers thought that the book incorporated nativist sentiments into its anti-Catholicism, including that the Church was a foreign ...

### **American Freedom and Catholic Power - Wikipedia**

The American response was to see in Catholicism something like the mirror opposite of liberal nationalism. Political and intellectual leaders distinguished between "Romanists," who might be acceptable as individuals, and "Romanism," a system, as they saw it, of mental slavery that rendered Catholics prone to authoritarianism and unfit for democratic citizenship.

John T. McGreevy's masterful Catholicism and American Freedom offers abundant evidence to this effect. But McGreevy also situates this faintly self-pitying saw in broad historical context, with generous references to parallel developments in Europe and the British Isles. This has the effect of mostly deflating Catholic claims to victim status.

Competent survey of historical and current dilemmas faced by Catholics in America. McGreevy (History/Notre Dame; Parish Boundaries, 1996) begins with Boston's Eliot School Rebellion, which in 1859 pitted the public school system against a group of 300 Catholic schoolboys who refused to recite the King James Bible version of the Ten Commandments.. While the differences in wording were minor ...
