Climate of Corruption : Politics and Power Behind The ...

Corruption and political capture can also obstruct effective climate policy, limiting the quality of inspections, design and implementation of policies, and monitoring, among others. Solving environmental problems depends, to a great extent, on the quality and strength of institutions, and the capacity of civil society to supervise.

Climate of Corruption - Greenleaf Book Group

I met Larry Bell shortly after reviewing his 2008 book *Climate of Corruption: Politics and Power Behind The Global Warming Hoax*. That book was inspired by his friendship with renowned climate scientist Fred Singer, to whom this new book is dedicated. His first book led to his becoming a columnist for *Forbes* and *Newsmax*.
