The top secret scoop to selecting the right needle the first time. #1) If you can find a number on the cartridge or needle, type that into the search window in the upper right! If there is a space in the number, remove it. I.E. you see "abc 123" on your cartridge, type in "abc123" (excluding quotes) If there is a "-" (dash) try your number both with and without the dash if needed. The shorter ...
