Chapter 8
The Debt Snowball is David Ramsey's method of paying off debt with the smallest balance first. This strategy has been criticized because you would technically save more money and pay debts of faster if you started paying the highest interest rate debt first. However, he acknowledges this fact and counters it with a logical explanation.

A \$1,000 emergency fund is enough if you're paying off credit card debt. One of the big parts of the Dave Ramsey plan is that one should save up a \$1,000 emergency fund, then turn all extra money towards paying off debts. This is a great way to get rid of those debts as fast as possible, of course.

The book "Total Money

Makeover" by Dave

Ramsey was the first

personal finance book

I've read. I bought it

via an American book

store selling second

hand books. The price I

paid was 50 cents (way

frugal I know!) and it

was something like 15

dollars in shipment

fees.
