Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

It might only have been the most important negotiation of the year to diehard Boston Red Sox fans, but for the rest of us, the team's spectacularly botched opening offer in renegotiations with its star pitcher, Jon Lester, serves as a reminder of the importance of crafting opening offers with care. By tossing out a random, lowball number (\$70 million over four years), the Sox offended Lester ...
