Digital Barbarism A Writers Manifesto

Digital Barbarism is a response to that response, a manifesto defending Helprin's position and rebutting the behaviour of such online critics. My problem with the piece is that everything was lined up for a good read, I was drawn into the issue of copyright, particularly for authors, and I was interested in Helprin's criticism of trial by internet.

understood the critical role of copyright in our economy, I decided to read Mark Helprin's new book, Digital Barbarism: A Writer's Manifesto. Although I had not previously read any of Mr. Helprin's novels, I was vaguely aware of his credentials in the conservative movement including his speech writing for Bob Dole's presidential campaign.
