AP Central | College Board

I. Choosing Between Objective and Subjective Test Items There are two general categories of test items: (1) objective items which require students to select the correct response from several alternatives or to supply a word or short phrase to answer a question or complete a statement; and (2) subjective or essay items which permit the student to organize and present an original answer.

Improving Your Test Questions

options, the sourcebook focuses primarily on paper-and-pencil tests, the most common type of teacher-prepared assessment. Five test item types are discussed: multiple choice, true-false, matching, completion, and essay. Information covers the appropriate use of each item type, advantages and disadvantages of each item type,
