Writing in another language is successful when there is a genuine, long-term need to switch languages (often accompanied by serious trauma), and when the new linguistic and social context the author is moving in meshes positively with his or her ambitions and talents. But changing languages doesn't always work.

### Why Write in English? - The New York Review of Books

We've provided a list of essential English novels that everyone should read in a previous article, but many of these are likely to prove daunting if you're not a confident reader of English. George Eliot's *Middlemarch*, for instance, is a superb novel, but at 316,500 words, it's no small effort to get through it. *Great Expectations* is a similarly challenging 196,000 words - and many of ...
