of assets to pass on or if you want to leave everything to just a couple of people. The best place to start as you plan your own estate is by creating a will.

Estate Planning: A Complete Guide for 2021

Blended families can make estate planning more complicated. For example, a parent may want to leave a different inheritance to biological children than to stepchildren, or the parent may want to protect their biological family's inheritance in the event that a spouse remarries. A solid estate plan can help prepare for these and other scenarios.
