Eyewitness Testimony With A New
Eyewitness testimony is a legal term. It refers to an account given by people of an event they have witnessed. For example they may be required to give a description at a trial of a robbery or a road accident someone has seen. This includes identification of perpetrators, details of the crime scene etc.

Eyewitness Testimony provides a sobering counterpoint to today's theatrical reliance on eyewitness accounts in the media, and should be required reading for trial lawyers, psychologists, jurors, and anyone who considers the chilling prospect of confronting an eyewitness accusation in a court of law.

Eyewitness Testimony: With a New Preface: Loftus ...

The eyewitness authors of the New Testament gospels and letters understood the power of their testimony. They witnessed the Word in the days when a written record was unnecessary, spoke the Word when they thought Jesus would return imminently, and wrote the Word when they realized their eyewitness record would become Scripture for those who followed them.
