Farewell To The Master The

"Farewell to the Master" is a science fiction short story by American writer Harry Bates. It was first published in the October 1940 issue of Astounding Science Fiction. It provided the basis of the 1951 film The Day the Earth Stood Still and its 2008 remake. In 1973, the story was adapted by Marvel Comics for its Worlds Unknown series with Bates' blessing.

John 17:1-26 is generally known as the Farewell Prayer or the High Priestly Prayer, given that it is an intercession for the coming Church. It is by far the longest prayer of Jesus in any of the gospels. While the earlier parts of the discourse are addressed to the disciples, this final part addresses the Father, as Jesus turns his eyes to heaven and prays.
