There are no Cait Sith-like or Vivi-like characters in FF8. This section of the site contains a full walkthrough and strategy guide for Final Fantasy VIII. Review. Final Fantasy VIII was a great follow up to Final Fantasy VII which was a huge success (and a tough act to follow). It differed just enough from its predecessor to make it a unique and enjoyable game without straying far enough from the FF formula to lose many of the nostalgic elements that fans of the series were hoping to see.

Magic in Final Fantasy VIII is somewhat odd in that you don't so much learn spells as you acquire them from external sources. This magic can then be stockpiled like any normal inventory item, accumulating in stacks of 100. Naturally casting these spells reduces your stock (one cast, one spell), but they can also be used for other purposes ...
