The First Frontier: Life In Colonial America, John Chester ...

Australian frontier wars is a term applied by some historians to violent conflicts between Indigenous Australians (including both Aboriginal Australians and Torres Strait Islanders) and non-Indigenous settlers during the British colonisation of Australia. The first fighting took place several months after the landing of the First Fleet in January 1788, and the last clashes occurred in the ...

Australian frontier wars - Wikipedia

The First Frontier traces two and a half centuries of history through poignant, mostly unheralded personal stories—like that of a Harvard-educated Indian caught up in seventeenth-century civil warfare, a mixed-blood interpreter trying to straddle his white and Native heritage, and a Puritan woman wielding a scalping knife whose bloody deeds ...

Colonial Life in the 1600s & 1700s

In the colonial era, before 1776, the west was of high priority for settlers and politicians. The American frontier began when Jamestown, Virginia, was settled by the English in 1607. In the earliest days of European settlement on the Atlantic coast, until about 1680, the frontier was essentially any part of the interior of the continent beyond the fringe of existing settlements along the ...

For Americans living today, the Colonial era is a time of myth and legend. Because the days when the Founding Fathers lived are so central to our country's history, we sometimes forget what life was like for ordinary colonists. Today we might find it hard to believe that like modern generations, the colonists dealt with [...]

Six Unbelievable, But True, Facts About Colonial Life ...

Jews and Muslims were also present in colonial America. Both were minorities, while South Carolina had one of the first successful Jewish communities. Deism was also popular, particularly among the educated and followers of the Enlightenment. Deists believed in the existence of God, but that the laws of nature dictated events in life.

Colonial America Worksheets

For most soldiers, of any nationality, this was their first time away from home, surrounded by new and unusual sights, smells and sounds. With death ever-present any chance of human intimacy with civilians afforded some possibility of normal life. And colonial troops were desirous of this as much as any other soldier.

The British Empire and the First World War: the colonial ...

The first frontier had to meet its Indian question, its question of the disposition of the public domain, of the means of intercourse with older settlements, of the extension of political organization, of religious and educational activity. And the settlement of these and similar questions for one frontier served as a guide for the next. . . .

Frederick Jackson Turner, 'The Significance of the ...

According to historian Alice Hansen Jones, Americans at the end of the colonial era averaged an annual income of £13.85, which was the highest in the western world. American per capita incomes compared to an average of £10-12 in the British homeland and even lower in France.. The average for free whites came in at approximately £16, whereas indentured servants made roughly £9 and slaves £7.

When Crispus Attucks earned his unfortunate claim to fame as a victim in the Boston Massacre, he was not a slave. He was one of the relatively few African Americans to achieve freedom in colonial America. Although freedom is clearly desirable in comparison to a life in chains, free African Americans were unfortunately rarely treated with the same respect of their white counterparts.
