Framing the Interpreter: Towards a visual perspective

Putting a painting in a red frame brings out the red in the work; putting the same painting in a blue frame brings out the blue. How someone frames an issue influences how others see it and focuses their attention on particular aspects of it. Framing is the essence of targeting a communication to a specific audience."

A frame is a conceptual structure used in thinking. The word elephant evokes a frame with an image of an elephant and certain knowledge: an elephant is a large animal (a mammal) with large floppy ears, a trunk that functions like both a nose and a hand, large stump-like legs, and so on. Moral 2: Words defined within a frame evoke the frame.

Media bias is to a large extent a distinct section of the ...
