The guitar is a fretted musical instrument that typically has six strings. It is held flat against the player's body and played by strumming or plucking the strings with the dominant hand, while simultaneously pressing selected strings against frets with the fingers of the opposite hand. A plectrum or individual finger picks may be used to strike the strings.

One of the most distinctive parts of the Hammond sound is the shimmering "Chorus Vibrato". It adds a silken quality to the sound by adding a second, slightly detuned pitch to the original in the Chorus Mode, and repeat-modulating the pitch slightly in Vibrato mode. Mr. Hammond's original design used an electromechanical apparatus that looked much like the distributors you would find in the ...
