The Future of an Illusion by Sigmund Freud

THE FUTURE OF AN ILLUSION I When one has lived for quite a long time in a particular civilization 1 and has often tried to discover what its origins were and along what path it has developed, one sometimes also feels tempted to take a glance in the other direction and to ask what further fate lies before it and what transformations it is destined to undergo.

Full text of "sigmund-freud-the-future-of-an-illusion"

This view is an illusion. The reality is that economies organized around the pursuit of private profit are contradictory, incoherent, and heavily shaped by politics and governmental action. But the illusion remains hugely consequential because it has been embraced by political and economic elites who are convinced that they are powerless to change this system.
