Gender Law And Justice In
The Berkeley Journal of Gender, Law & Justice, a continuation of Berkeley Women's Law Journal, was founded in 1984 by a group of students at the University of California, Berkeley School of Law who came together with a vision of "preserving our voices of diversity and maintaining our commitment to social change within the often-stifling confines of a law school environment."

Berkeley Journal of Gender, Law & Justice
Theories of gender justice in the twenty-first century must engage with global economic and social processes. Using concepts from economic analysis associated with global commodity chains and feminist ethics of care, Ann Stewart considers the way in which 'gender contracts' relating to work and care contribute to gender inequalities worldwide.

Gender, Law and Justice in a Global Market (Law in Context ...
Gender, Law and Justice explores feminist theoretical frameworks and gendered experiences of Canadian law and the criminal justice system. Taken together, the authors advance an intersectional approach that examines how the law structures and is structured by social contexts, socio-demographics and social inequalities, including race, class and sexuality.
