### Rare Geology Books For Sale

History of Geology. The term geology was first used in the late 18th Century. Although geology was not mentioned in the Encyclopedia Britannica before 1800, by 1809 geology had a lengthy entry. During the earliest days of geological study, mainstream scientific geology was divided into three camps: Plutonists, Neptunists and Catastrophists.

### Geology - Conservapedia

This book presents the results of integrated multidisciplinary studies, including geology, petrology, magmatism, geochemistry, geochronology and geophysics, of the structures and processes affecting the continental lithosphere. These processes and their spatial and temporal evolution have major consequences on the geometry and kinematics of the ...
