German Literature In The Age

The Baroque period (1600 to 1720) was one of the most fertile times in German literature. Modern literature in German begins with the authors of the Enlightenment (such as Herder). The Sensibility movement of the 1750s-1770s ended with Goethe 's best-selling Die Leiden des jungen Werther (1774).

German literature - Wikipedia

Nevertheless, German literature has experienced three periods of established greatness: the high Middle Ages (c. 1160-c. 1230), the turn of the 18th to the 19th century (the "age of Goethe"), and the turn of the 19th to the 20th. This article provides a concise historical survey of German literature.

German literature | Britannica

The Enlightenment as a European movement had begun in England and Holland and spread from there to France. When it finally arrived in Germany, English authors became the models for German literature to follow during the latter half of the 18th century, after the influence of French Classicism had faded.

German literature - The 18th century | Britannica

From the mid-1990s, in the wake of heated debates on the future direction of culture, politics and society in a more 'normal', united country, German literature has become increasingly diverse and seemingly disparate - at the one extreme, it represents the attempt to 'reinvent' German traditions, at the other, the unmistakable influence of Anglo-American forms and pop literature.

The first phase of written German literature lasted from about 800 to about 1050. The earliest great production of the period was the Hildebrandslied (Lay of Hildebrand), a heroic pagan ballad of combat between a father and his son. This work survives only as a fragment of a copy made in about 800.

The golden age of German literature (Book, 1948) [WorldCat ...

In literature the anti-rationalist tendency was headed in the eighteenth century by the Sturm und Drang movement (in German, 'storm and impetus'). The writers, in their revolutionary spirit, saw nature as a force in constant change and emphasized human values by their individual passions rather than in a spirit dominated by universal reason.

German Literature - 18th Century History -- The Age of ...

The eighteenth and early nineteenth centuries have long been considered the "Golden Age" of German literature. This was never more the case than in the years immediately following the Second World War, when Germany's reputation was at its lowest ebb as National Socialist atrocities were being revealed in their horrific dimensions.
