support across platforms and devices.

## **Government In America People Politics**

Revel Government in America: People, Politics, and Policy takes a public-policy approach to show how politics influences the policies that governments produce. Authors George Edwards, Martin Wattenberg, and William Howell provide a framework for students to understand the difficult questions that decision makers of both political parties are facing: how should we govern and what should government do?

The American Revolution was built on the foundation of belief in  
natural rights, consent of the governed, limited government, the  
responsibility of government to protect private property, and the  
equality of citizens. The Constitution written by the Framers  
incorporated all of these ideas. The Road to Revolution Life was
