Granite Cave appeared in A Hole Lotta Trouble. Ash and his friends entered the cave in order to find Steven, who was digging for rare stones inside it.All of a sudden, the group fell into a trap hole dug by Team Rocket, which soon gave way even deeper into the cave, separating the group and the Rocket trio members from each other.After a while, Max, Meowth, and Pikachu came across Steven, who ...

With a remodel and a garden design project under way, I've been researching how to simplify garden maintenance and cut back on water usage. And I keep hearing more and more about the advantages of decomposed granite. Why? It turns out that in many ways decomposed granite (or DG, as it's commonly called) is the ideal hardscape material: natural, permeable, aesthetically versatile, and ...
