Things have been unclear in every aspect of the shut down in most places, California included. Newsom suggested the state regulations didn't prohibit practices from being held. But, local, county regulations did. The counties the four California Pac-12 schools are located in are driven by bulldog "protective" health offices.

Will the Pac 12 grow a pair and play? - Varsity Forum ...

Well-drained soil and full sunlight will give your pear the best growing conditions. When it rains, check the area for standing water on the surface. If there is puddling, you may want to select a different planting location. To test the drainage of your soil, dig a hole 12 inches (0.30 m) wide and 12 inches (0.30 m) deep and fill it with water.
