This guide will look at the various types of drum hardware such as, strainers, lugs, hoops, accessories, and other identifying features. Vintage drum finishes will also be discussed. While I have made every effort to be as accurate as possible, there are many “gray” areas when it comes to attaching exact dates to the many different vintage drum components.

### Cooper's Vintage Drums

The Slingerland “Streamlined” lugs were used on snare drums, bass drums (a larger version) and tom toms. While Leedy is credited with the first modern non-tubular lug casings, Slingerland was the first to use them on tom toms and bass drums.

Like a window, Ludwig’s Vistalite drum with its transparent acrylic shell gives high visibility to accumulated dirt and film not only on its exterior surface, but on its interior as well. In addition, unlike most vintage drums wrapped in pearl and sparkle patterns, the Vistalite with its non-patterned finish provides no camouflage for dirt.
