Some ham radio stores may also have the August 2021 issue, in which my column is a review of a compact and inexpensive ARDF receiver-antenna set for the 80-meter band. My column on radio direction finding appears in CQ Magazine at least four times per year. CQ Magazine is available by subscription and printed issues are sold in Amateur Radio ...

HOMING IN -- Radio Direction Finding, Foxhunting, ARDF
Ham and eggs is a dish combining various preparations of its main ingredients, ham and eggs. It has been described as a staple of "an old-fashioned American breakfast" and of the traditional English breakfast. It is also served as a lunch and dinner dish. Some notable people have professed an affinity for the dish, such as Duncan Hines and Puyi. Similar dishes include bacon and eggs, Spanish ...

The KX2 covers 9 HF amateur radio bands from 80 to 10 meters. This exciting new QRP rig offers an impressive list of features for its size, some of which are not even available on larger "full-featured" base station transceivers. Worthy of note are: Its software defined radio (SDR) receiver section is state of the art technology.
