Jonathan Green says that he creates his art for a purpose: to educate and inspire. He describes the newly published collection of his paintings, Gullah Spirit, as a kind of call for a community of mothers working together like those who raised him. He believes mothers are better together raising children.

The Left Hand of Darkness is a science fiction novel by U.S. writer Ursula K. Le Guin. Published in 1969, it became immensely popular, and established Le Guin's status as a major author of science fiction. The novel is set in the fictional Hainish universe as part of the Hainish Cycle, a series of novels and short stories by Le Guin, which she introduced in the 1964 short story "The Dowry of ...

The journal itself is a nice object. It's slim, meant to last a single season, which makes it nicely portable. It's not a planner, so there's no need to have the whole year in your hand at once. In fact, it's better to stay focused on the short-term so that themes and goals can be revisited and adapted every so often.
