## 15 Easiest Countries To Immigrate To From US

Emigration from the United States is a complex demographic process where individuals born in the United States move to live in other countries, creating an American diaspora. The process is the reverse of the immigration to the United States. The United States does not keep track of emigration, and counts of Americans abroad are thus only available courtesy of statistics kept by the destination countries.

## Emigration from the United States - Wikipedia

Immigrate is to come into another country to live permanently. Migrate is to move, like birds in the winter. The choice between emigrate, immigrate, and migrate depends on the sentence's point of view. Emigrate is to immigrate as go is to come.
