Jim Giraffe

Scott Spectrum is being haunted by a ghost giraffe called Jim. Scott thinks he is the man who has everything - a high speed internet connection, alien-shaped slippers, a beautiful wife called Continece. But Scott hasn't touched her in years and she's been left furiously polishing the sideboards, dreaming of black stallions.

Jim Giraffe by Daren King - Goodreads

Jim Giraffe has apparently taken it upon himself to save Scott from his dead end existence. Their exchanges are hilarious and profane and JIM GIRAFFE takes on the guise of a perverse version of the old Jimmy Stewart film "Harvey".

The world's tallest animal, a giraffe can easily look into a second-storey window. Its height to the "horn" tips averages 5.3 m (17.5 ft.) in males and 4.3 m (14 ft.) in females. This bird's-eye view, along with a highly developed sense of sight, is the giraffe's principal defence against predators because it can spot danger from a great distance.
