The John Deere exhaust filter is integrated into the engine design and electronics to provide a seamless operator experience. The engine control unit (ECU) and exhaust temperature management (ETM) system work together to continuously regenerate the exhaust filter using a natural cleaning process sometimes referred to as passive regeneration.

The new John Deere 9520 4wd from Ertl is like no other RC tractor before it. Bill Walters from Ertl explains "This is something new for us, especially going to a full function 9.6V RC. We've done other RC over the years, but a fairly "low end" RC. This is a top of the line RC." Having a 9.6VC allows this new model work in three speeds.
