Frog Jump! To play I marked a starting line with painter's tape on the floor and gathered a frog cut out and a measuring tape. The kids took turns standing at the line and jumping forward as far as they could. I had my oldest demonstrate how to bend her legs and jump and then we marked the spot where she landed with another piece of tape.

Frog Jump: Measurement and Gross Motor Activity

Weapons of Math Destruction is a 2016 American book about the societal impact of algorithms, written by Cathy O'Neil.It explores how some big data algorithms are increasingly used in ways that reinforce preexisting inequality.It was longlisted for the 2016 National Book Award for Nonfiction, has been widely reviewed, and won the Euler Book Prize

Math 9 (module 4) 1. Mathematics Learner's Material 9 This instructional material was collaboratively developed and reviewed by educators from public and private schools, colleges, and/or universities.We encourage teachers and other education stakeholders to email their feedback, comments, and recommendations to the Department of Education at action@deped.gov.ph.

Math 9 (module 4) - SlideShare

She wrote: 6/8 is less than 4/5 because 6/8 is 2/8 away from 1 whole and 4/5 is 1/5 away from the whole. 2/8 is equal to 1/4. 1/4 is bigger than 1/5 so 4/5 is bigger than 6/8 because it has a smaller amount left to get to the whole. Jenny's method also shows her understanding of equivalent fractions, that 2/8 is the same as 1/4.
