Natural justice is a term of art that denotes specific procedural rights in the English legal system and the systems of other nations based on it. It is similar to the American concepts of fair procedure and procedural due process, the latter having roots that to some degree parallel the origins of natural justice.. Although natural justice has an impressive ancestry and is said to express the ...

There were many mass killings under communist regimes of the 20th century. Death estimates vary widely, depending on the definitions of the deaths that are included in them. The higher estimates of mass killings account for the crimes that governments committed against civilians, including executions, the destruction of populations through man-made hunger and deaths that occurred during forced ...
