2. Talk with your partner. When was the last time you really talked with your partner? To keep the spark alive, communication is a must. Talking doesn't just mean chatting for a few minutes before falling asleep. It means making plans about your future, understanding your partner's love language and finding out what's on the other's mind.

Take your dog on short walks. During the recovery period, short walks can help get rid of some of his energy. These short walks can help keep your dog calmer overall. The walks should only be for 5 to 10 minutes at a time around the yard. Make sure to have the dog on a leash. Carefully monitor your dog and keep him on a short leash.
