Land Reform In India

Land reform is a form of agrarian reform involving the changing of laws, regulations, or customs regarding land ownership. Land reform may consist of a government-initiated or government-backed property redistribution, generally of agricultural land. Land reform can, therefore, refer to transfer of ownership from the more powerful to the less powerful, such as from a relatively small number of ...

Land reform - Wikipedia

Land reform in Zimbabwe officially began in 1980 with the signing of the Lancaster House Agreement, as an effort to more equitably distribute land between black subsistence farmers and white Zimbabweans of European ancestry, who had traditionally enjoyed superior political and economic status. The programme's stated targets were intended to alter the ethnic balance of land ownership.

Land reform in Zimbabwe - Wikipedia
