traces the decade-long correspondence and search for true democracy between two pen-pals--one Chinese, the other Chinese American--which ends abruptly with the 1989 Tiananmen Square Massacre. First staged in 1991, this is the first play in the United States to respond to the tragic historical event.

decipherable, the letters of a soldier of the American Revolution, written from the battlefield to his beloved ones at borne. That they are still legible, speaks well for the skill of the paper-maker of those days, when hands worked for durability rather than the false economy of cheapness, and for the ink-maker whose dyes defy the bleaching lights of a
